Next Meeting

The next club meeting will be held April 27, 7:15 p.m. at the Redwood Multi-purpose Center, 3100 So. Redwood Rd. The speaker, John Skinner, will talk on the ghost towns of Tooele County.

Notice

The club officers have made a mistake in not telling you sooner that the 1989 club medal design must be voted on at this month's meeting. We're sorry! It's not too late, though. Put on your thinking caps and come up with a design between now and then. We'll vote at the meeting.

Coin/Token Show News

Please see the announcement elsewhere in this newsletter of the club's Coin and Token Show to be held June 24 and 25 at the Salt Lake Howard Johnson's. Mark these dates on your calendar and prepare to participate by helping with set-up, take-down, or the hospitality table, etc. Also, start thinking about displaying all or part of your collection at the display corner of the show. There will be nice trophies. A display application will be included in next month's newsletter. Table sales are going well and the show will be a good one if everyone pitches in to help. The club needs the proceeds to finance expenditures dues don't cover.

Token Hunter Notes

An updated copy of the club's bylaws will be included with next month's newsletter. I'm still looking for a good feature article. P.S. UNS is offering to NUTS club members this year's UNS medal at UNS club member prices. This will be a treasured medal with the City and County building reopening and all. See George Wilson for details.

FROM THE V P

Dear NUTS:

By the time you receive this newsletter, Harry and Afton should be in York, England, where they will be conducting tours of York and Yorkshire. Good luck Harry and Afton. We'll be waiting to see you again this fall when you return.

The March meeting which was held at the Utah State Historical Society was really an education for club members. Dr. Jay M. Haymond, Director of the Library Services and Vice-President of the Utah State Historical Society, introduced the NUTS members to the methods of researching to identify token and script and related history.

Some of the club members purchased copies of the Utah Historical Trails Map which Dr. Haymond had available. The map traces the various routes taken by early explorers and pioneer travelers in the state of Utah.

A big thank you to Dr. Haymond and the Utah State Historical Society for the hospitality shown to the NUTS.

The speaker for this months meeting will be John Skinner from Tooele, a noted historian who will be talking about the mining towns of the Oquirrh mountains. John has some slides he will be showing.

SEE YOU AT THE MEETING.

BYRON

Bill's Bull

We had a good turn out at the March meeting. I hope everyone learned a little from what Dr. Hammond said and showed us about the Historical Society library. I did and I plan to take advantage of the library from time to time. Right now I'm like everyone else, enjoying the good weather and finding a few new and different tokens. So far I've found two SLC tokens and a 10cent Fountain Green Co-op, but I plan to find more before the meeting, which should be a good one on Tooele Country ghost towns along the Oquirrh Mountains. I'm looking forward to this one, being from Tooele County and all. Until meeting night I'm off looking for more good finds.

See You Then, Bill

Dr. Jay Haymond of the Utah State Historical Society speaking to the NUTS club members on researching token history.

Fish Springs Trip

The end of the month is the beginning of the official club detection season, starting with the first club outing to Fish Springs. We will be leaving the **Redwood Multipurpose Center** promptly at **8:45** Saturday morning, heading south to Lehi and then west thru Fairfield to the old Pony Express trail. We will stop in Fairfield for gas, as it is the last service station before Wendover, 150 miles farther along (120 miles of which are graded roads). It will take about 2 1/2 hours to travel to Fish Springs. There are several old buildings (ghosts included) at Fish Springs for anyone camping out. Several of us will leave Sat. evening thru Gold Hill to Nevada & return via Wendover (there is less traveling on dirt roads).

Fish Springs was discovered only in 1899, despite the outcrops of the ore veins being in sight of the old overland stage route. Apparently, the miners were in such a hurry to get to California that they overlooked what was literally in front of their eyes. The next 10 years saw the typical mining camp boom, with several shootings & murders thrown in to keep things active. The camp was so isolated that when one miner killed his partner, the judge gave him only 10 months, as it was a clear case of cabin fever! Some of the ore veins were very rich, but were all of small size (shipping only several hundred thousand tons over a 50 year period), so the camp was never very large. The last mining activity was in 1979 when Utah International leased most of the camp to explore for a large low grade deposit just to the north of the original workings.

Club member finds bottle hoard

Greg Manos & Warren Borton spent the last weekend digging for bottles up in Ogden, with some very good luck. At the first place dug, he found a circa 1890 wine bottle, but it turned out to be the only one in the hole. They then moved west one block & dug in a 8x8x10' cistern & found 30 bottles, including a bottle embossed as the Culley Drug Co., Ogden Utah from the 1890s.

New Bottle Club Formed

A new bottle club has been formed, the **Utah Antique Bottle Collectors Club**, with the second meeting to be held June 15 at the Northwest Multipurpose Center, 7-9p.m. Contact Greg Manos for more information @ 561-4802.

NAME: MC EWAN & BIRCUMSHAW... ..Park City Utah....Page 3.

MC EWAN, Frank...was born on March 29, 1865 in Salt Lake City.
He died on December 9, 1945, in Salt Lake City, and burial was in the Salt Lake City Cemetery. At the time of his death he was 80 years...8 months...10 days. ^{OH 12-11-1945}
FATHERS NAME:.....Henry Mc Ewan Born in Scotland.
MOTHERS MAIDEN NAME.....Agnes Hogg Born in Scotland.

OCCUPATION *Retired Merchant - He was ~~married~~ at the time of his death. WIDOWED*

JOHN WILLARD BIRCUMSHAW....was born in Nottingham, England on January 13, 1856.
He died in Salt Lake City, on April 6, 1944, with burial at the Salt Lake City Cemetery (Deseret Mortuary in charge)...

He came to the United States from England, when a young man, and arrived in Park City prior to the great fire of 1898. He moved from Park City to Salt Lake City, in the early 1930's.

He was a Butcher, by trade, and had worked as such for the following firms in Park City.....SMITH & BRIM.....PARK CITY MEAT CO.....SUTTON & CO.

He married Mary Jane White (date unknown)
The above information obtained from his son Ray Bircumshaw, of Salt Lake City on October 30, 1973.

The above information also obtained from the City Board of Health, in Salt Lake City, on October 31, 1973. According to their records, John Willard Bircumshaw had been a resident of Salt Lake City for 24 years, prior to the date of his death. He was listed as a Retired Butcher, at the time of his death.

NAME: THE CLUB.....Park City Utah
 MC & B (Frank McEwan & John E. Bircumshaw)

NOTES OF INTEREST: In the Park City Recorders Book #5 (dating January 15, 1908 to August 4, 1910) the following notation is noted in the book, which was dated November 4, 1909. A communication was read from Frank McEwan notifying the City council that the partnership between VICTOR YOUNGBERG and FRANK MC EWAN doing business at the CLUB SALOON was dissolved in September. Stating he would not be responsible in any way for the business while conducted by Victor Youngberg.

MCEWAN & YOUNGBERG, did operate the CLUB SALOON, from 1904 to 1909, after which this partnership was dissolved. Then McEwan & Bircumshaw did join into partnership, and even though they issued a token which did depict the name of MC & B, I personally feel they did make use of the token, which does depict THE CLUB BAR. As records would indicate that Mc Ewan & Bircumshaw were issued a retail liquor license stating the CLUB SALOON, then after prohibition came into being, they made use of the token that would depict the following:.....THE CLUB....MC & B.....

THE NATIONAL UTAH TOKEN SOCIETY

The National Utah Token Society is dedicated to collecting, recording, and preserving tokens and medals, particularly Utah tokens and medals. Club members have a variety of collecting interests. Also, many are metal-detecting treasure hunters. The club meets monthly at the Redwood Multi Purpose Center, usually on the fourth Thursday of the month. Club meetings include a raffle and prizes, an informative speaker, informal gab, and lots of fun. The club also organizes treasure hunting "digs" and publishes a monthly newsletter, the Token Hunter. Annual membership is \$7.50 for an individual, and \$12.50 for a family. If you would like to join, or would like more information, send your name and address (and a check for membership, if you like) to:
